December 15, 2014	Kahnawake Environment Protection Office. Meeting held on December 15, 2015. KEPO commends KTA on the work that the tobacco association have invested in this initiative and support the goal of better regulations of the industry within Kahnawake. KEPO has reviewed the document and provide comments with a focus on environment aspects. The Commission will establish-follow agreed upon standards for health,	

safety, security and environmental protection in relation to the Kahnawake Tobacco Industry and persons employed in the Industry. KEPO points out that the body of the Law contains no further comment with respect to health, safety, security and the environment. KEPO recommends that a section be added to the Law reiterating the contents of this section Further it is recommended that specific existing Laws and regulations (Kahnawake or otherwise) be referenced where applicable so that the expected standards with respect to health, safety, security and the environment are known by all parties. For example, applicable environmental policy, law and guidelines that apply in Kahnawake include: The Interim Landfill Policy for Clean Soil. The Interim Landfill Procedures for Clean Soil. The Sanitary Conditions Law. The Best Management **Practices Guide for** Working in and around Water. Standards should be adhered to concerning the manufacturing industry
