### **Consensus reached on Role of Registrar at *Membership Law* hearing**

**For immediate release**

**(Kahnawake – 6, Kentenhkó:wa/November 2013)** The Mohawk Council of Kahnawà:ke (MCK) wishes to inform the community that consensus was reached on the issue of the Role of the Registrar at last night's 15<sup>th</sup> Community Consultation on proposed amendments to the *Kahnawà:ke Membership Law*.

Once consensus was reached the Registrar gave a presentation on four possible options on the definition of great-grandparents. The final half-hour of the meeting was used to brainstorm and discuss this issue, with the two groups having no real intention of preparing a position. This will begin in earnest at the next session, which has not yet been scheduled.

Sixteen community members participated in the Consultation, which took place at the Karonhianónhnha School gymnasium.
